

Sept. 21, 1953

Dr. Hopper long wt type  
Gerald Wyatt

Aug 5, 1954

Isabel visited Longe  
and went over Gerald Light on  
way to Santa Barbara

stopped on way back  
saw Meade - going up & coming back  
Can back to Vista, had attack  
quite ill. thought she would  
night after talk to Meade die

Sept 21st, 1954

down until midnight at Longe  
bone and trouble with leg

leg cut off in New Orleans, infection  
through whole body - in 4 days  
spring of 1955

"still thought at Christmas 1954)  
time she would win out over  
the attack."

Isabel Deneceaux

Xmas killed - phosphorus  
1955 in New Orleans

old missionary preacher  
in Santa Barbara

before Max moved to Vista

Max's neighbor friend of Isabel

Xmas 1954 - Max had  
letter

raging infection, doctor  
couldn't stop

Vista Max in Hollywood

Max listened to Isabel  
didn't commit himself <sup>in</sup> 1954

"Had terrible psychia<sup>at</sup>  
Vista, fall of 1954"
